OPTIMISM FELT AFTER BOARD OUTLINES FINAL CONCESSIONS

Ben Hooper, Vice-Chairman, Presents Plan For Strike Session To Union Chiefs

SECRET SESSION IS HELD

Railroad Unions Hold Separate Meetings at 1 O'clock to Determine Course

TO MEET JOINTLY AT 3 P. M.

Hooper Reported to Have Promised Labor Heads No Wage Cuts Would be Considered Soon

(By United Press)

Chicago, Ill., Oct. 27.—Government officials today outlined final concessions the United States railroad board would make to the two million railroad workers of the nation in an effort to prevent the October 30 strike.

The proposition was made to the union chiefs by Ben Hooper, vice chairman and public representative of the board in addressing a secret session of the union heads.

Immediately after Hooper presented his program for settlement of the dispute, the union meeting adjourned.

The railroad unions held separate meetings at one o'clock this afternoon to decide on what action to take in regard to Hooper's proposition. They were scheduled to meet jointly two hours later.

A strong sentiment was expressed by many of the union leaders toward acceptance of Hooper's statement as a basis for negotiations and to call off the strike.

This was especially true in the trainmen's ranks. It took Hooper nearly three hours to outline his plan. Following the meeting, Hooper appeared very optimistic.

"The labor board will not consider new petitions for the further wage cuts in the near future," Hooper told the union chiefs, the United Press learned. "If you strike you will be striking solely on the wage cuts of last July, which is only a small percent of the total increases granted during the war."

Even while he spoke department of justice agents carefully watched the proceedings in order to get evidence for court action.

Shortly after Hooper met with the union heads, A. P. Thom, general counsel for the railroad executives went into session with Chairman Barton, of the Railroad Labor Board at the Board's offices.

They were expected to discuss the proposed strike settlement.

While rumors persisted that the

UNION HEADS MAY BE SENT TO JAIL

Face Such a Prospect if They Refuse to Rescind Strike Order. Authorities Indicate

INJUNCTIONS TO BE SOUGHT

Washington, Oct. 27.—Railroad brotherhood chiefs may be jailed if they refuse to rescind their strike call and a tie-up of the mails and interstate commerce results, it was indicated today at the department of justice.

With the "zero" hour for the threatened rail strike approaching, Attorney General Daugherty has decided that if the walkout develops, he has ample authority to obtain court injunctions restraining any interference with the mails or interstate commerce.

Any failure of the union chiefs to obey the injunctions would in all probability be classed as contempt of court and the leaders could be imprisoned, it was stated at the department.

Daugherty has found a precedent for such action was established during the famous "Pullman strike of 1894." The U. S. supreme court then upheld such steps taken by the federal government.

RAILWAY AGENTS TO BE HELD ON THEIR BONDS

Local Railroad Employees Notified of What to Expect if They Strike Oct. 30

MUST NOT DESERT POSITION

Railroad freight and passenger agents in Rushville today had their attention called by the railroads to the fact that if the threatened strike takes place, they will be held strictly to their positions as agents, or forfeit the bond money upon which they hold their position.

In offices in cities the size of Rushville agents are usually the telegraphers also, and the threatened strike calls for the keymen belonging to the union to walk out. The railroad executives desired to have their employees know that such office holders must not desert the position as agent during the strike.

The strike does not include station agents, and in Rushville the C. I. & W. and Pennsylvania maintains a three man shift of agents in the consolidated passenger depot, who also act as train dispatchers and telegraphers. The Big Four has a keyman, but he is said not to be a member of the union, as is the case at the Lake Erie station. The C. I. & W. and Pennsylvania also operate a consolidated freight station but the local office relies on the passenger depot for their wires.

labor chiefs met in an effort to find a way out of the Oct. 30 strike, statements by the labor leaders were pessimistic.

"Things look even worse than last night," L. E. Shepard, head of the conductors union, said. "I do not see how a strike can be avoided."

"It seems that every step possible to obtain justice for the workers has been taken, without success."

Hooper was silent as he went into the meeting. He would not say whether or not he had a definite proposal to make to the union members for ending the strike. He hurried into the hall, accompanied by A. T. Whitney, vice-president of the trainmen's union.

Only three other members of the board knew that Hooper was going to meet with the railroad union chiefs so secret were the arrangements for the meeting.

Hooper has taken the lead in efforts to avert the strike. Practically every step taken has been on his suggestion.

During the night, according to reports, Hooper was in telephone communication with department of justice and other government heads at Washington and it is believed the plan which he presented to the union today was directed from Washington.

When the public hearing broke up last night, Hooper declared he knew of no way by which the strike might be averted.

Today's meeting of union head was held under the eyes of department of justice agents. Half a dozen loitered around the corridors of the Masonic Temple, watching developments.

Freight Embargo Lifted

Houston, Tex. Oct., 27.—The freight embargo in effect on the International and Great Northern since Saturday when about six hundred yard men and switchmen on that road walked out, was partially lifted today by an order from Horace Booth, traffic manager of the road. The embargo was "loosened" to allow acceptance of shipments from other roads beginning today, from three points—Longview Junction, San Antonio and Taylor. The last two included shipments from those points to Mexico, according to Booth's order. All consignments from one point to another on the company's main line and branches were to be handled.

PENNSY OFFICIALS HERE

President Rea and Others Go Through on 11-Coach Special

High officials of the Pennsylvania railroad passed through Rushville last night, a ten minute stop being made here. The special train was said to contain President Rea and several vice-presidents and other directors of the system. The train consisted of eleven coaches and arrived here shortly before ten o'clock. Crossing watchmen, were held on duty until after the train passed, and in order to show the officials courtesy, extra crossing watchmen were placed at practically every street through the city.

The officials are enroute to the main line roads where an inspection is being made.

PERSHING AND FOCH IN TRANS-ATLANTIC RACE

Liner Paris Carrying Frenchman and George Washington Bearing U. S. Army Man Neck and Neck

AMOUNTS TO NATIONAL RACE

New York, Oct. 27.—Indications today were that the French liner Paris bringing Marshal Foch to America and the shipping board liner George Washington, bringing General Pershing home, were running a "neck and neck" trans-Atlantic race and that they would enter New York harbor almost together.

A wireless from Captain Mairass of the Paris received at the French line offices here, said the steamer would reach quarantine at 2 p. m. tomorrow.

The George Washington, according to latest advices, will reach quarantine about the same time as the Paris.

The George Washington is trying to beat the Paris to port, so Pershing can welcome Foch as he steps ashore. The American Legion has wireless stokers of the George Washington to do their best, to help win. Reports that the Paris has slowed down to let the George Washington win were denied at the French line office today.

DYNAMITE LETS GO ON OFFICER'S DOORSTEP

Clinton, Ind., Oct. 27.—A stick of dynamite exploded on the door step of Deputy Sheriff Roy Wright's home early today wrecking part of the building and breaking windows in nearby homes. No one was hurt.

It is believed moonshiners sought revenge against Wright for activities against them. Wright raided the Runyan still last spring and two men were killed. Later Joe Lowry shot and killed himself after Wright had raided his still.

TO BE INTERNED ON SHIP

Paris, Oct. 27.—Former Emperor Karl and Empress Zita are to be interned aboard a British monitor until the allies reach a final decision as to what their fate shall be.

FRANCES VAUGHT NEW W. R. C. HEAD

Elected District President at Close of Thirty-First Annual Convention Here

1922 SESSION AT LIBERTY

Department Commander Sutton of Fort Wayne and State Head of G. A. R. Among Speakers

The Thirty-first annual convention of the W. R. C. of the fourth district was held in the P. O. S. of A. hall Wednesday with the district president, Mrs. Josie Webb of this city, presiding. One hundred and fifty members of the G. A. R. were present for the meeting.

The following officers were elected during the business session: Mrs. Frances Vaught, Shelbyville, president; Mrs. Mary Little, Connersville, senior vice president; Mrs. Gertrude Krams, Greensburg, chaplain; Mrs. Ida Hegwood, Connersville, treasurer; Mrs. Ella Nye of Liberty, national delegate; alternate, Mrs. Winnie Mitchell, Greensburg; inspector, Melvina Murphy, Rushville.

Liberty invited the convention for the 1922 meeting and the invitation was accepted. Mrs. Sarah Guffin gave a report from the national convention which was very interesting. Mrs. Ida Lee read a poem entitled "The End of a Perfect Day," which was the closing number on the program. One of the best conventions ever held in this district ended to meet in Liberty in 1922.

Mayor R. F. Seudder welcomed the visiting members and comrades to this city. In a cordial manner Mrs. Rose Sutton, of Fort Wayne, the department president of Indiana, responded with a splendid talk on the good of the order.

Mrs. Todd, senior vice president of Newcastle, was present and gave a short talk praising the convention. Department Commander Tyner of Newcastle was in the city yesterday to reorganize the Joel Wolfe Post and gave a talk before the convention yesterday morning. He stated that the W. R. C. was the only auxiliary of the G. A. R. and was glad to know that the Corps had encouraged the post to reorganize. The Rev. D. F. Ryan of Morristown, a past department officer, gave a short talk on the order.

Mrs. Elsie Dreihelbiss, past department president of the Daughters of Veterans of Fort Wayne, was among the out-of-town guests present, and gave an interesting talk on the order of the Daughters and stated that as citizens of the United States we should salute the flag in passing whether in lodge room or on the street. Mrs. Paul Colvin of Battle Creek, Mich., who is a new member of the corps, gave a short talk.

The new commander of the Joel Wolfe Post, W. A. Caldwell of this city was present and asked the cooperation of the corps in his new office.

All nine corps of the district were represented at the convention. The meeting adjourned at noon for lunch which was served in the hall. At

LOCAL POST REORGANIZED

W. A. Caldwell Heads Revived Joel Wolfe Post 81

Joel Wolfe Post 81, Grand Army of the Republic, was re-organized here yesterday afternoon, after the local chapter had been inactive for several months, and under the new regime, W. A. Caldwell was chosen as commander. The work of reviving the local post was in charge of Department Commander Tyner of Newcastle who was here yesterday attending the W. R. C. district meeting. The first meeting of the new post will be held on the first Saturday afternoon of each month following.

The Civil War veterans request that all soldiers, who were not formerly members, to attend the first meeting and become members.

BLANTON REFUSES TO OFFER APOLOGY

Texas Congressman Says He Will Not Buy His Seat by Surrendering His Soul

DID NO WRONG, HE ASSERTS

(By United Press)

Washington, Oct. 27.—Representative Thomas Blanton of Texas has committed a gross and vile crime against the decency of the nation and violated to the utmost the confidence of congress, Representative Mondell, republican floor leader, declared when the house met today to vote on Blanton's expulsion.

Mondell called on the house to "save its honor" by unseating the Texan for having printed in the congressional record an affidavit for a government printing office employee containing foul and loathsome language. "This vile black thing was printed at the government's expense and has been sent out to schools, colleges and home all over the country," Mondell declared.

Blanton then took the floor to defend himself. "With God as my witness," he cried, "I have intended to do nothing wrong." The words the house objected too were not his words," Blanton declared. "They were inserted as a matter of record in his fight to help two employees in the government printing office."

Declaring that some of the members had come to him with the words that he could save himself by apologizing on the floor, he said, "I will not apologize. Feeling that I have done right I will take my medicine. I will never buy my seat from you by surrendering my soul."

MAIL LOOT \$1,500,000

New York, Oct. 27.—Postmaster General Hays here today took active charge of the investigation into the robbery of a mail truck on lower Broadway. After checking up the list of securities contained in the five pouches stolen by the robbers, Hays declared that it would not amount to more than \$1,500,000.

TAX DUPLICATE FOR 1922 READY

Shows Rush County Will Pay \$1,-000,430.73 on Property Valued at \$66,345,095 Next Year

3,106 POLLS IN THE COUNTY

Rushville City's Tax Bill in 1922 Will be \$169,933.33—Comparison Of Tax Rates

Rush county people will pay \$1,-000,430.73 in taxes on property valued at \$66,345,095 in 1922, according to the tax duplicate for next year which has just been completed in the county auditor's office.

The valuations this year show a decrease of \$2,610,125, contrasted with 1920 valuations, on which taxes are being paid this year, but there is very little difference between the amount of taxes to be collected this year and in 1922, due to slightly increased rates in about half of the taxing corporations next year.

Rushville city, as is always the rule, leads the other units with taxable property valued at \$7,799,085 and Glenwood is low in the county with taxables valued at \$288,190.

The total number of polls in the county is 3,106, and the county seat also leads all of the other taxing units with 751. Glenwood again is low with 31 poll taxpayers listed.

Rushville city's tax bill next year will be \$169,933.33, and the other units' bills range on down to \$5,-099.75, which will be Glenwood's bill in taxes for the year.

Phil Wilk, county auditor, and his deputy, completed the tax duplicate for 1922 earlier than it has been finished in the auditor's office in years. All of the rates are based on actual valuations fixed this year.

A comparison of rates for 1922 and this year shows the following:

Taxing Unit	1921	1922
Carthage	\$2.01	\$1.70
Ripley Twp	1.55	1.43
Posey	1.42	1.44
Walker	1.66	1.59
Orange	1.37	1.69
Anderson	1.55	1.85
Rushville	1.13	1.25
Jackson	1.81	1.18
Center	1.24	1.17
Washington	1.15	1.20
Glenwood	1.67	1.74
Union	1.38	1.32
Noble	1.43	1.30
Richland	1.24	1.36
Rushville City	2.095	2.15

G. A. R. WILL BACK A LYCEUM COURSE HERE

Will Consist of Five Musical and Dramatic Numbers. First of Which Comes Nov. 3

FOR BENEFIT OF VETERANS

A winter lyceum course consisting of musical and dramatic numbers, the first of which will take place at the Graham Annex auditorium Thursday evening, November 3 will be given under the auspices of the Joel Wolfe post of the G. A. R., it was announced today.

The season tickets are selling for \$2 each and the single admissions will be 50 cents, and the net proceeds over and above the cost of the course will go to the post. Tickets are on sale at Oren's drug store.

The course will consist of five numbers, the first of which will be an entertainment by the Chicago Concert Players, a musical organization. Other numbers billed for the winter are as follows:

December 14, Kenilworth glee club; February 4, a male quartet; March 6, a trio of musicians; and April 12, an orchestra composed of six girls.

TAX COLLECTIONS HIGHER

Tax collections were higher Wednesday than any day this week, amounting to \$18,619.55 and equaling last Saturday's collections. This brings the total collected on the fall installment to \$192,946.29, leaving a little less than \$300,000 to be paid.

Valuations and Taxes to Be Collected in Rush County in 1922

TAXING UNIT	Valuation	Rate	Pol's	Rate	First Ins.	Second Ins.	Total Yr.
Carthage Corporation	\$1,320,255	\$1.70	138	\$2.75	\$11,412.60	\$11,411.22	\$22,823.82

New York Stocks

New York, Oct. 27.—Prices held fairly well in the first hour on the New York stock exchange. Pools in some stocks ran their favorites up to new highs but the general disposition was to wait some definite news from the wage conference. A pool in Houston Oil ran that stock up to 80 which represents an advance of 100 percent over the year's low. Asphalt was heavy, however, and profit taking was apparent in other oils.

Kelly Springfield was soft and sold off nearly a point from the opening at 42 1/2 to 41 1/2. Good buying of Kelly Springfield has been going on for several weeks past.

The opening prices for the stock exchange today included:

U. S. Steel 78 1/2, off 1/4; U. S. Rubber 49 1/2, up 1/4; Atlantic Gulf 30 1/2, off 1/4; Baldwin 89, off 1/4; Retail Stores 52 1/2, up 1/4; American telephone 108, off 1/4; Southern Pacific 76 1/2, unchanged; American Sugar 52 1/2, unchanged; Tobacco Products 63 1/2, up 1/4; Endicott Johnson 69 1/2, up 1/4; Studebaker 73 1/2, off 1/4; Asphalt 58 1/2, up 1/4; Mexican Petroleum 105 1/2, unchanged; Northern Pacific 71 1/2, off 1/4; Sinclair 23, up 1/4; Central Leather 28 1/2, up 1/4; Texas Company 41, unchanged; Houston Oil 77 1/2, off 1/4; Kelly Springfield 42 1/2, up 1/4.

The stock market was somewhat heavy at the opening as result of the developments at the railroad wage conference. The opening losses, however, were usually confined to a half point or less in active issues. Mexican Petroleum opened at 105 1/2 unchanged and then sold off to 104 1/2. Baldwin made an early low below 98. Steel common lost 1/4 at 78 1/2 and independent steels showed about an average loss of about 1/4 point.

Northern Pacific was off 1/4 at 71 1/2 and Southern Pacific was unchanged at 76 1/2.

COLLECTIONS ONCE A WEEK

Regular Route Will be Followed, Beginning Monday

City garbage collector Rex Innis today wished to call attention to the fact that the winter schedule for the collection will go into effect on Monday, as set out in the city ordinance. Only one collection will be made each week from that time until May first. The collections will be made with the regular route taken the first of the week, and the usual last half of the week collection will be done away with until May.

People in several localities are continuing to place broken glass in the garbage cans, and it is asked that people be careful not to place anything in the cans which cannot be eaten by hogs.

MAN'S BEST AGE

LUCILE CHRISMAN EXPIRES

Dies at Home of Her Parents, Mr. and Mrs. Otto Floyd

Mrs. Lucile Chrisman died this morning shortly after three o'clock at the home of her parents, Mr. and Mrs. Otto Floyd, 718 East Eighth street, after an illness of a week with peritonitis. The deceased was in her 19th year. Besides the parents she is survived by a son, Thomas, three sisters and five brothers. Her husband died recently.

The funeral services will be held Saturday morning at ten o'clock at the residence in charge of the Rev. C. S. Black and burial will take place in East Hill cemetery.

COUNTY NEWS

Jackson Corner

Mr. and Mrs. J. E. Wynn spent Sunday with Mr. and Mrs. Fred Osborne west of Rushville.

Mr. and Mrs. Byron Kirkwood of Connersville were the Sunday guests of his brother Elwood and his mother.

Mrs. Dan Whicker and children spent the week-end with her daughter, Mrs. Israel Long near Orange.

Miss Frances Morris spent last week with her cousin, Miss Dorothy Walls at Knightstown.

Carey Gray and daughter Ethel Oda and son James of Shelbyville

were the week-end guests of his parents, Mr. and Mrs. James Gray.

Mr. and Mrs. Will Arnold and children of near Raleigh and Mrs. Bert Eakins and children of Gings visited home folks Sunday.

Mrs. A. C. Haskett entertained at dinner last Wednesday in honor of her sister, Mrs. Lizzie Cline, Mrs. Texas Johnson and Mrs. Claude Cambern of Rushville.

About fifty of the friends and neighbor charivariated Mr. and Mrs. Chester Mauzy last Wednesday night

Continued on Page Eight

The Biggest Earner on the Farm

“Everybody who knows anything about dairying understands that if a man will take a herd of cows and attend to them, taking care of the pigs and calves, nothing can down him. It is the only sure plan on the farm because it has so many pulls from different angles. He has the skim milk for calves and pigs, and his farm keeps getting better year by year.”—An Iowa Farmer.

There never was a better time to prove the truth of what this man writes than now. With the price of corn low, the way to get the most money out of it is to feed it, separate the milk and sell the cream. You can bring pigs to market weight quicker with skim milk and corn than in any way, and raise more pigs to the acre. But to get the greatest value out of skim milk, it must be fed sweet and with the animal heat still in it. The only way you can have the milk in this condition and save all the butter fat is to use a cream separator.

A Primrose Cream Separator will save all the butter fat in the finest condition. It is easy to turn, easy to wash, easy to keep in perfect running order. It oils itself from a supply in the gear case, and only an occasional replenishing of the oil is necessary. The big chore of washing out the dirty oil is done away with by the oil drain tube, which drains out the dirty oil when new oil is added.

Come in and let us show you these and many other unusually good things about the Primrose.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes
—Most Women Can Have

Says Dr. Edwards, a Well-Known
Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

PERSONAL POINTS

—Miss Mary Bates went to Cleveland, Ohio Wednesday afternoon to attend the funeral of an aunt.

—Birney D. Spradling has returned to Indianapolis, after transacting business in this city.

—Walter Rhineheimer has returned to his home in Indianapolis after a business trip to this city.

—Thomas McWhiney returned this morning to his home in Indianapolis after a visit in this city among friends.

—Mrs. Eva Lakin returned this morning to her home in Indianapolis.

Gas, Indigestion, Stomach Misery —“Diapepsin”

“Diapepsin” has proven itself the surest relief for indigestion, Gas, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large cases cost only few cents at drug store. Millions helped annually.

CATHERINE GEYMEN DIES

Word has been received here of the death of Mrs. Catherine Geymen, which occurred at the home of her parents, Mr. and Mrs. Wendell Jacobs, in North Madison last Friday evening. Mrs. Geymen was well known here, having been a former resident of this city. She was formerly Mrs. Andrew Schnebelt before her last marriage. The deceased had been ill for a year suffering with cancer. She is survived by her parents, husband and two children, Margaret and Lawrence. The funeral services were held Monday morning at St. Patrick's Catholic church in Madison.

RECESS IS TAKEN TODAY

Grand Jury Adjourns to Reconvene
Again Next Wednesday

The grand jury which was in session all day yesterday, recessed again this afternoon at two o'clock, and will reconvene next Wednesday to resume their investigations and at that time will probably make a report of their findings. Several matters have come up before them, it is understood, and several witnesses were before them this morning.

Business is at a standstill this week in the circuit court on account of the absence of Judge Sparks who is trying a case in the Union circuit court, acting as special judge. On this account, the grand jury could not make a report this afternoon.

PRE-CONVENTION SESSION

Legion Commission Meets in Advance
of National Gathering

Kansas City, Oct. 27.—More drastic legislation governing the transmission of anarchistic and radical literature through the mails was recommended by the National Americanism commission of the American Legion which opened its pre-convention session at the Baltimore hotel here today.

The commission heard the annual report of Director Alvin M. Owsley of Texas and began the formulation of a series of recommendations affecting citizenship which will be submitted to the national legion convention next week. Sessions will be concluded on Saturday.

HARDING AT CAMP BENNING

Camp Benning, Georgia, Oct. 27.—President Harding came here today to see the great army infantry school in action. It was expected that a review and maneuvers and perhaps a sham battle would be staged for the presidential party which includes Secretary of War Weeks.

HEALING CREAM QUICKEST RELIEF FOR HEAD COLDS

Colds and catarrh yield like magic to soothing, healing, antiseptic cream that penetrates through every air passage and relieves swollen, inflamed membranes of nose and throat. Your clogged nostrils open right up and you can breathe freely. Hawking and snuffling stop. Don't stay stuffed up and miserable.

Get a small bottle of Ely's Cream Balm from your druggist. Apply a little in the nostrils and get instant relief. Millions endorse this remedy known for more than fifty years.

LOCAL PHYSICIANS ATTEND

Semi-Annual Meeting of Union District Medical Association at Oxford

Several Rush county physicians attended the 108th semi-annual meeting of the Union District Medical Association, held at Oxford, O., today, and the program included many important discussions and lectures by prominent members of the society. The meeting was held here this time last year.

Dr. C. J. Broeman of Cincinnati was scheduled this morning to deliver an address on Radium and this afternoon Dr. Morris, a heart specialist of Cincinnati, lead a discussion on the disturbances of the heart beat. The organization has members in Fayette, Franklin, Henry, Union, Wayne and Rush county, and Indianapolis, as well as Butler county and Preble county, Dayton and Cincinnati, Ohio.

TO PROVE HARTMAN GUILTY

Indianapolis, Ind., Oct. 27.—Republican leaders in Indianapolis were preparing today to prove Herbert Hartman, indicted candidate for city

judge, guilty under a federal and county indictment charging him with violation of the liquor laws and of stealing automobiles. Judge Moll in a ruling held that if the party chiefs can prove Hartman guilty of the charges then they will have been justified in removing his name from the city ticket and naming Delbert Wilmeth as the candidate.

MOTHER! OPEN

CHILD'S BOWELS WITH
CALIFORNIA FIG SYRUP

Your little one will love the "fruity" taste of "California Fig Syrup" even if constipated, bilious, irritable, feverish, or full of cold. A teaspoonful never fails to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the sour bile, and undigested food out of the bowels and you have a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

Figures Tell The Story

Statistics compiled by the interstate commerce commission show that during the first eight months of the year 1921, the railroads made, for their owners, income at the rate of only 2.6 percent per year on the property value as fixed by the Commission. This was not enough even to pay the interest on bonds held by the public, leaving nothing from earnings to pay dividend on stock. Taken on the average there being some exceptions to the general rule, dividends have been paid out of accumulated surplus and net earnings have been attained only by serious cutting of maintenance of way and maintenance of equipment expenses. It must be clearly manifest to every business man, be he manufacturer, merchandiser, farmer, lumberman or miser, that the transportation system upon which all other industry depends can not be indefinitely continued upon any such basis of earnings as that.

Yet, in the face of these facts, the five big brotherhoods and the switchman's union propose to strike Sunday because of a reduction in wages ordered July 1 by the United States railway labor board.

The payroll is and always has been the railroad's biggest item of expense and it was wages which showed the largest increase during the war. Payroll expense alone, which totaled \$1,739,482,142 in 1917 mounted to \$3,698,216,351 in 1920.

It is patent then that no relief from high rates may be expected until this big item of expenses is lowered. Acting with this idea in view and a desire to bring about more prosperous conditions, the railroad labor board ordered a reduction of twelve percent in the wages of railroad men.

There is no prospect of lower rates until wages are brought down, due to the fact that no other item of expense in connection with the operation of a railroad can come down.

The public paid for its railroad transportation, \$2,157,359,553 more in 1920 than in 1917. Of this increased payment by the public, the payroll of the railroads took \$1,958,734,209 and the cost of fuel, largely made up of wages, \$278,992,426. There was left in 1917 for making additions to the property and paying interest and dividends, \$934,068,770; and in 1920, \$61,928,626. The owners of the securities, who have created this great instrument of commerce, had their share of the payment made by the public reduced \$872,140,144, while the men on the railroad who maintained and operated it, had their return increased \$1,958,734,209.

Obviously, a relation like this can not continue permanently and every effort is being made by the managers to obtain a more equitable relation between income and outgo. The results, however, are very unsatisfactory.

factory, although they are better than a year ago.

There is of course no reason why labor should not organize as do other classes of our citizens, but labor organizations must subject themselves as do other organizations of our citizens, to the inexorable laws of trade and to a reasonable supervision and regulation in the interest of the entire public.

A memorial tablet has been erected for the mules that perished in the war. This will be appreciated by the overseas vets who are without the price of a meal.

The fellow who made jazz popular is becoming one of the most unpopular of men.

American women are great advocates of home rule—and most of them do.

Wisdom is an asset which the fool never cares to possess.

AMUSEMENTS

Serial at The Mystic

From surprise to stripes is the striking change of garb made by Al J. Smith, now supporting Eileen Sedgwick in her latest Universal super-serial, "Terror Trail", now being shown at the Mystic Theatre every Thursday.

At the tender age of nine years little Al was singing in a boy's choir in an eastern city. Now he is enacting the villain's part in a Universal serial, and for certain he is wearing the conventional costume that the government has designed for gentlemen who are not at liberty. When Al's voice started to swing from high soprano to a rather deep bass, with no degree of certainty, he left the choir to take up stage work. He enjoyed the usual experiences which befell a young man seeking fame on the stage, the most usual one being the long walk home at the end of each season's engagement. At that time Smith says there were about thirty seasons to the year.

A stock company brought him West eight years ago, and since that time he has been in screen work. He was Zimba in Eileen Sedgwick's serial, "The Diamond Queen," and is playing the "heavy" in the current production.

Personally, Smith is anything but a villain off the screen, and is one of the most popular players at Universal City. His dramatic ability is noted by the excellent characterizations which he has given to the silver sheet.

Expensive Interior Scene

Securing \$30,000 worth of furniture for a single interior setting and then smashing the outfit before the camera produces photoplay realism, but at a well-nigh prohibitive cost. Yet that is what Cecil B. DeMille did in his Paramount production "The Affairs of Anatol," which will be shown at the Princess theatre again today and Friday.

The setting in question serves as a background for a part of the story portrayed by Wallace Reid, Gloria Swanson, Elliot Dexter, Bebe Daniels, Wanda Hawley, Theodore Roberts and other all-star players. It is an ultra-luxurious apartment and Howard Higgin, production manager for Cecil B. DeMille production was instructed to spare no expense.

The result was an attractive suite designed by Paul Iribé—furnished with approximately \$30,000 worth of furniture. This included a valuable set of Louis XVI chairs, a magnificent carved photograph case of unique design, a grand piano, lamps, mirrors, tables, a desk, lounge, pictures and bric-a-brac.

At the climax of this episode, Wallace Reid was instructed to run amuck, smashing everything breakable in the set. The orders were comprehensive and Reid obeyed

them to the letter. Not one stick of furniture remained in its original shape when the vandalism was complete! Using the small pieces of furniture as bludgeons, Reid shattered just out of range of his blows. Mirrors, lamps, chairs, phonograph and piano were demolished one by one. As a conclusion to the scene, the husky star seized the huge overstuffed divan and hurled it bodily through the French doors at one end of the set.

The Olympic with a registry of 46,439 tons, is the largest of British-built ships, which means that she is larger than any American-built vessel.

Kidney and Bladder Troubles HAVE TO GO

Clogged up Kidney Deposits are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told to Guarantee it in Every Instance

"Your very life", says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them".

Dr. Carey's famous prescription No. 777 known as Marshroot is not recommended for everything but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating, irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetis or Gravel; for kidney disease in its worst form may be stealing upon you.

Don't wait until tomorrow to begin the use of this wonderful prescription if you have any of the above symptoms, Kidney and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfailing certainty.

Never mind the failures of the past if you even suspect that you are subject to Kidney Disease, don't lose a single day for every good druggist has been authorized to return the purchase money on the first two bottles to all who state they have received no benefit.

VALLEY MILLS TO PLAY HERE FRIDAY

Rushville High School Out For Revenge Against Team Which Won Last Year

Valley Mills will come here Friday night to battle with the Rushville high school basketball team, and the locals are planning on revenge for the defeat that this team handed them early in the season last year. Valley Mills, which is located in Marion county, ranked high last year in the sectional tourney, and won out over Rushville by a few points about this time last season.

Coch Sutton has been putting the team through some hard licks this week, and it is believed that he has a strong bunch of players that will be able to hold the visitors. Pugh, Sparks and Casady will be out for forward positions, while other players who will have a chance will be Walker, Frazee, Cartmel and Headlee.

The Glenwood team will come here for the curtain raiser with the local second string. Glenwood has a good team, and will put up a hard fight. The curtain raiser will start at 7:15, and the other game at 8:15.

NEW PUGILISTIC FIND

New York, Oct. 27—New York was saying many nice things today about a new pugilistic find—Phil O'Dowd, Columbus. The Ohio bantam clearly outpointed Joe Lynch, former champion in a 12 round bout last night and won a popular decision.

GETS REFEREE'S VERDICT

St. Louis Oct 27—Alexander Trinitas, Portland, got the referee's verdict over Johnny Tillman, St. Paul, after a 12 round bout here last night. Harry Bramer, Kansas City, rocked Mike Dundee New York, to sleep in the first round of a scheduled ten round bout.

APPEARS TO BE INDIANA'S WEEK

Many Important Contests Are Scheduled on the Football Fields Of the State

WABASH VS BUTLER FRIDAY

Purdue Meets Iowa at Lafayette on Saturday and Indiana Tackles Notre Dames

By HEZE CLARK
(Written for United Press)

Indianapolis, Ind., Oct. 27.—This is football week in Indiana. It appears as though most of the important games were scheduled for this week.

Indianapolis gets more than its share for two of the best games of the season are scheduled for this week in Indianapolis. Butler meets Wabash Friday, Oct. 28 at Irwin Field and Indiana Plays Notre Dame at Washington Park, Saturday, Oct. 29.

When Pat Page's Butler team clashes with Coach Vaughn's aggregation there will be a real battle. Wabash has a slight weight advantage in the back field but the average weight of the line on the two teams is equal. Wabash has a powerful defensive combination which has been tested against such teams as Purdue and the U. S. Military Academy. The only real test of defense that Page's team received was in the opening game against the heavy Dennison team in Ohio. Dennison failed to halt the shifty Butler backs. Butler is "pointed" to the Wabash game. Wabash knows it has a big problem and had an open date last week.

The big question that every Indiana University man is asking is: "Can Indiana halt Notre Dame?" Coach Rockne's team met a surprise

Tax Included

Mr. Skinner's screen debut in his greatest stage success is the most important acquisition in the tremendous history of motion picture art.

last year and it was only in the final quarter that they defeated Indiana. Notre Dame has had a hard schedule. The first defeat that team has suffered in three years was at the hands of Iowa. The Notre Dame-Indiana affair is always regarded as the football classic of the year in the Hoosier state.

Purdue meets Iowa at Lafayette Saturday. It is the "home coming" day for the boiler-makers, and the Purdue Alumni will gather to see their team play what is probably the strongest football eleven in the Big Ten conference.

Franklin is scheduled to play the Kalamazoo college team at Franklin Friday. The game is sure to be close and hard fought.

Earlham plays Coach Spaulding's Kalamazoo Normal eleven at Kalamazoo Saturday. Rose Poly meets Hanover at Terre Haute. The Engineers have been showing improvement and they defeated Franklin in a game two weeks ago.

of an injured shoulder suffered in practice. Eversman and Murphy will not be able to play Saturday as their injuries are of a nature that do not heal rapidly.

Coach Dietz stated that his team was in the worse shape physically than it had been this season. He has been drilling his men hard the last two weeks and they are showing a great deal of improvement in regard to fumbling and charging, which has shown up in every game.

The morale of the team is visibly improved and when they trot out on the field Saturday for their go against Iowa it will be with a determination to upset the dope bucket.

Scrimmages will be light the remainder of the time before the game

so as to keep his men from going stale.

EPSOM SALTS

LIKE LEMONADE

A few cents buys a handy package of "Epsomade Salts" which looks and acts exactly like epsom salts because it is real epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade.

A tablespoonful in a glass of cold water whenever you feel bilious, head-achy or constipated, will give you a splendid epsom salts physic without the awful taste and nausea. "Epsomade Salts" is the much talked of discovery of the American Epsom Association.

PURDUE CRIPPLED FOR IOWA CONTEST

Coach Dietz Says His Team is in Worse Shape Than it Has Been Any Time This Season

TEAM'S MORALE IMPROVES

Lafayette, Ind., Oct. 27.—The Purdue University Gridiron squad, on the eve of the battle with Iowa, one of the strongest contenders for conference honors, is in bad shape as the result of accidents suffered by several of the best men in scrimmages.

Coach Dietz, football mentor of Purdue, is very gloomy about his team's chances to defeat the strong Iowa aggregation, which has not suffered any injuries thus far.

Birk, the star tackle, will probably not be able to get into the game against Iowa Saturday as the result

SOCIETY

Edited By Miss Edna Krammes
Phone 1111

The Delphian Society will meet in the assembly room of the court house tomorrow afternoon. All members of the newly organized society are urged to be present.

The ladies of the First Presbyterian church will give an oyster supper in the basement of the church Friday evening, October 28, at seven o'clock to the men of the congregation. The Bible class announced to meet at the home of Mrs. Ruby Petry Friday night will meet in the church parlors following the supper.

The American Literary club met Wednesday afternoon with Mrs. C. A. Dugal at her home in North Morgan street. An unusually interesting program was given consisting

of a paper by Mrs. Harry Armstrong on "The Origin of Halloween" and an original story by Mrs. Fred Oldham and two readings from Riley by Mrs. Dugal. Following the business meeting a social hour was enjoyed, during which the hostess, assisted by Mrs. Scott, served delicious refreshments.

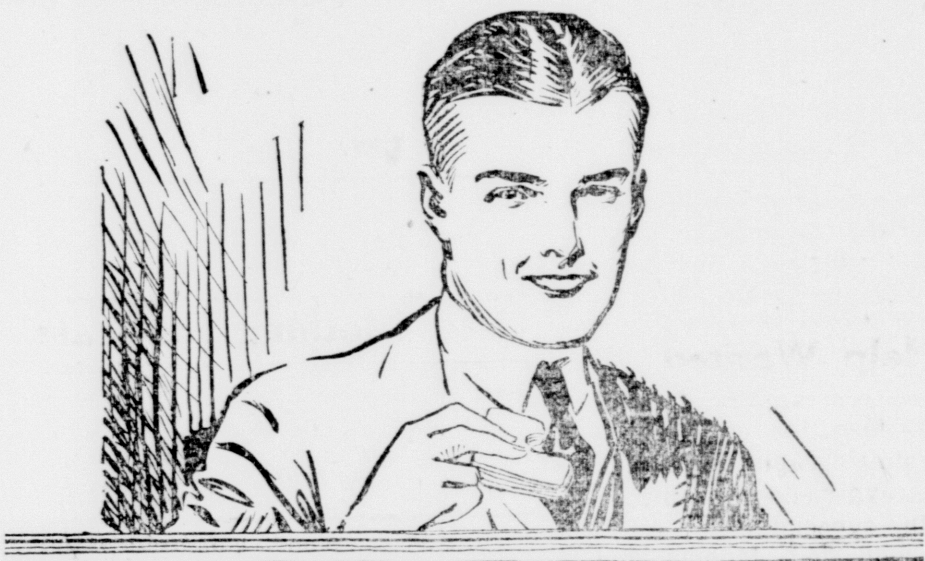

The Bank of Workers of the First Presbyterian church met yesterday afternoon for their regular meeting in the church parlors with Mrs. John G. Beale, Mrs. Richard Beale, Mrs. W. W. Weakley and Mrs. Will Trennepohl as hostesses. Following the regular business hour a ghostly figure muttering a weird summons led the way to the basement where other strange figures

showed the ladies to the dining room which was found to be elaborately decorated in the season's tokens, jack-o-lanterns, candles, autumn leaves and witches. Dainty refreshments synonymous of the season were served and due credit was accorded the hostesses.

A wedding of interest to many friends here was solemnized yesterday evening at five o'clock at the home of Mr. and Mrs. Ed Billings in East Eighth street when Miss Caroline Billings of this city and Henry Steigelmeyer were united in marriage by the Rev. L. E. Brown, pastor of the Main Street Christian church. The ceremony was quietly performed in the presence of only the immediate family and friends. A delicious three course wedding dinner was served following the wedding.

Mr. and Mrs. Steigelmeyer left for a short wedding trip after which they will be at home to their friends at 244 West Taylor street, Shelbyville. Mrs. Steigelmeyer is well known here and having been a resident of this city practically all of her life. The bridegroom is widely known and is a prominent citizen of Shelbyville.

The Ladies Aid society of the M. E. church of New Salem was delightfully entertained last Thursday afternoon at the home of Mrs. Ben Stephens northeast of New Salem. Mrs. Shouse and Mrs. Jacob Wilson were the assisting hostesses. The rooms were artistically decorated with fall flowers and autumn leaves. The meeting was called to order promptly at two o'clock by the president, Mrs. Ben Stephens. After the business session, Mrs. Jacob Wilson took charge of the program. Mrs. Ryan, Mrs. Shankle and Mrs. Maud Sefton gave interesting readings. A duet was rendered by Miss Marion and Miss Myrtle Sefton and a solo by Mrs. Bert Beaver was enjoyed. A short discussion on the Life of Christ which was given by each member, was the most interesting feature of the program. The address given by the new pastor, the Rev. Mr. McWilliam, was very inspiring and appreciated. Following the program the paupers lunch was served to the fifty-four members and visitors present. Refreshments of ice cream, cake and coffee were served by the hostess.

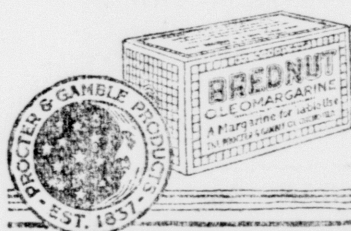

For the Critical Taste

If your taste for butter is critical, try Brednut. You will find it surprisingly fine, and perfectly uniform. Cold does not make it brittle. Heat does not make it run. It always has the taste, texture, and splendid richness of the best creamery butter.

Brednut is churned daily in a white tiled, sanitary factory, and delivered direct to your grocer. It is fresh, and stays fresh. Try a pound.

Tailored Skirts

A new shipment has just arrived of beautiful all wool prunella striped skirts, neatly pleated, and with these we will group many of our regular stock, up to \$16.50 values

\$9.95

THE MAUZY COMPANY

Mrs. Ed Chambers was hostess for the Sunshine Embroidery Club of Raleigh yesterday afternoon at her home in East Seventh street. Besides the members two guests were present, Mrs. Gunn Haydon and Mrs. Bert Davidson. Dainty refreshments were served by the hostess at the close of the social afternoon.

The members of the pitch-in club which met at the home of Miss Edith Brown in North Main street last evening, were given a delightful surprise last evening, when Miss Elizabeth Gronier and Thomas J. Bradley, both members of the club, were united in marriage in their presence.

Miss Brown was hostess for the club last evening and those present were John H. Power, W. P. Jay, Miss Viola Jay, Miss Florene Gronier, Miss Elizabeth Gronier, Thomas J. B. Bradley, Mr. and Mrs. Harry McManus, and children, Mr. and Mrs. Verl Behout and son, Mr. and Mrs. Walter Ray and daughter Mary, Oscar Newhouse, and Mrs. Charles Ray of Connersville.

At 8.30 o'clock the wedding guests composed of Mr. and Mrs. Ed Chambers, Mr. and Mrs. B. F. Miller, Newton Bradley, father of the bridegroom of Hope, Ind., Miss

Ruby Howell of Kener, Ind., and Mr. and Mrs. Elmer Darnell entered the parsonage and Mrs. Ed Chambers went directly to the piano and began the wedding march. To the consternation and surprise of the pitch-in party, Thomas J. Bradley and Miss Elizabeth Gronier stepped before the Rev. L. E. Brown and were united in the bonds of wedlock. After congratulations B. F. Miller in behalf of John H. Power presented the bride and bridegroom with a warranty deed for their new home in West Ninth street.

The bride is a popular young lady of this city, having made her home here for several years with Mr. Powers. The bridegroom is also a prominent citizen of this city.

Miss Christina Stiers and Mrs. Wilbur Stiers were hostesses for a prettily appointed one o'clock luncheon yesterday when they entertained a number of guests at the home of the former, corner of Perkins and Seventh streets, honoring Mrs. John Souders of Greenfield and Mrs. J. M. Fitch of Muncie. The luncheon tables were prettily decorated in yellow chrysanthemums and a delicious three course dinner was served to about forty guests. Among the out-of-town guests were Mrs. Noble Wills and Mrs. Thompson of Connersville.

Mrs. Martha Nading of Connersville and William N. Bradley, a farmer of Hope, were married at noon today by the Rev. C. S. Black at St. Paul's M. E. parsonage. They will reside in Connersville.

The employees of the Mauzy company enjoyed a pitch-in supper on the second floor of the Mauzy building Wednesday evening.

Mrs. George Murphy entertained Tuesday night, Mrs. Carrie George, president of the W. R. C. chapter at Columbus, Ind., and she remained as Mrs. Murphy's guest during the district meeting in this city.

SPORTS WRITER DIES

New York, Oct. 27—Funeral services for William B. Bat Masterson, veteran sports writer and well known former plainsman, are to be held this afternoon. Honorary pall bearers selected were Tex Rickard, Tom O'Rourke, Willie Lewis, Wm Muldon, Val O'Farrell, Frank Price, Damon Runyon, Bert Igoe and James P. Sinnott.

FRANCES VAUGHT NEW W. R. C. HEAD

Continued from Page One
two o'clock the convention reconvened, with Mrs. Josie Webb, president, presiding. The local corps exemplified the ritualistic work with Mrs. Winnie Mitchell of Greensburg, inspector. She gave a few criticisms but stated that she was proud of the work the corps had done this year.

A memorial service was held for comrades and members who expired during the past year, the service being in charge of the past department president, Eliza Crisler of Greensburg. A solo was rendered by Mrs. Driewert of Greensburg entitled "Oh Tell Me of a Home." Also a prayer was offered.

MUST VACATE BY NOV. 1

Philadelphia, Oct. 27—Unless Mrs. Emma C. Bergdoll, mother of the famous slacker brothers, vacates "Bergdoll castle" on or before November 1 steps will be taken by the government to obtain immediate possession of the imposing mansion, it was learned today. Bergdoll castle was ordered seized with the rest of Bergdoll's property under the trading with the enemy act. Notice has been served on Mrs. Bergdoll that she must vacate.

RHEUMATIC TWINGE MADE YOU WINCE!

USE Sloan's freely for rheumatic aches, sciatica, lumbago, overworked muscles, neuralgia, backaches, stiff joints and for sprains and strains. It penetrates without rubbing. The very first time you use Sloan's Liniment you will wonder why you never used it before. The comforting warmth and quick relief from pain will delightfully surprise you.

Keep Sloan's handy and at the first sign of an ache or pain, use it.

At all druggists—35c, 70c, \$1.40.

Sloan's Liniment

Disfiguring facial eruptions are quickly healed by Dr. Hobson's Eczema Ointment. Good for pimply faces, eczema, acne, itching skin, and all other skin troubles. One of Dr. Hobson's Family Remedies. Any druggist.

Dr. Hobson's Eczema Ointment

"A SHINE IN EVERY DROP"

Black Silk Stove Polish is different. It does not dry out; can be used to the last drop; liquid and paste one quality; absolutely no waste; no dust or dirt. You get your money's worth.

Don't forget—when you want stove polish, be sure to ask for Black Silk. It isn't the best stove polish you ever used—your dealer will refund your money.

Use Black Silk Air Drying Iron Enamel on grates, registers, stove-pipes, and automobile fire rims. Prevents rusting. Try it.

Use Black Silk's Metal Polish for silverware, nickel, tinware or brass. It works quickly, easily and leaves a brilliant surface. It has no equal for use on automobiles.

Black Silk Stove Polish

is not only most economical, but it gives a brilliant, silky lustre that cannot be obtained with any other polish. Black Silk Stove Polish does not rub off—it lasts four times as long as ordinary polish—so it saves you time, work and money.

BIG DOLL FREE

Can You Solve the Dolly Puzzle?

In the picture of Dolly on the left is a number of hidden faces. See how many you can find. Some are looking at you—some show sides of faces—you'll find them upside down; in the folds of Dolly's dress, and every way. Mark each face you find with an X. If you find 8 hidden faces you have solved the Dolly Puzzle.

I Have a Big Doll Like This for You

This is not a cloth doll to stuff, but a regular baby doll. She stands nearly half a yard high and is all dressed up in a dear little "go-to-school" dress. You'll be the proudest girl in the neighborhood with a nice sleeping dolly like this. The big blue eyes which open and shut, the peaches and cream complexion and the little rosebud mouth make this the handsomest and sweetest doll you could possibly imagine. You'll just love her to death, she is so cute and pretty.

Every Little Girl Can Have One of These Big Sleeping Dolls for Her Very Own.

Mark all the faces you can find. Don't give up too easily. If at first you find it a little hard to solve the puzzle. When you have found 8 faces, write your name and address on the coupon, clip out Dolly's picture and mail without delay with the Puzzle Coupon below for my Big Free Doll Offer.

SPORTSMEN OF STATE MEETING

Tenth Annual Convention of Indiana
Fish, Game and Forest League
Opens Today

CALLED TO ORDER AT 10 A. M.

124 Clubs and Protective Organizations in State to Assist in Game Law Enforcement

Indianapolis, Ind., Oct. 27—The tenth annual convention of the Indiana Fish Game and Forest League in session today at the Claypool hotel drew together the largest and most representative body of sportsmen interested in wild and aquatic life conservation of any held in years, according to officials.

The convention was called to order at 10 o'clock by Walter Shirts of Noblesville, league president with delegates and alternates representing many fish, game and bird protective associations and clubs from all parts of the state present.

According to George N. Mannfeld, superintendent of the fish and game division of the state conservation department, there are now 124 clubs and protective associations in Indiana whose work is to perpetuate and propagate this resource, assist in enforcement of the fish and game laws, and to interest the people in the importance of this phase of conservation. In the opinion of Mr. Mannfeld most clubs not affiliated with the state league will join during this convention.

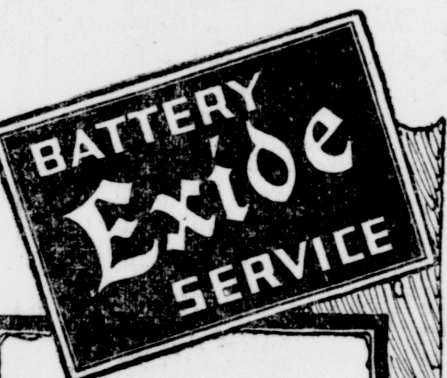

Under the law which created the state conservation department power and authority were given it, and it was made its duty to encourage and assist in the organization of fish and game protective associations in the several counties of the state to the end that the work of the fish and game division, and the laws relating to propagation and conservation of fish and small wild game, may be made more effective. This work has been carried out and his division recognizes the Indiana Fish, Game and Forest League as the representative state organization, Mr. Mannfeld says.

Speaker included officers of the league, Richard Lieber, director of conservation in Indiana, and Mr. Mannfeld. The latter presented statistics on his division as regards number of licenses sold, arrests by state wardens in the past fiscal year, etc. Mr. Lieber talked generally concerning conservation of all natural resources as our basis wealth. Discussions on various phases of fish and game conservation were held.

Members of the Marion County Fish & Game Association, the pioneer and the largest of the state sportsmen's organizations, banqueted the visiting delegates. At the evening session motion pictures made for the conservation department showing black bass propagation were shown.

HALLOWE'EN SOCIAL

FIRE DEPARTMENT CALLED

Woman is Found Burning Leaves
After Two O'clock in Afternoon

The fire department received a telephone call yesterday afternoon about five o'clock, stating that a woman was on fire in the vicinity of Ninth and Sexton streets, and the chemical truck responded to the call. The firemen stated that Mrs. Mary Nestle of that vicinity was in the midst of a large vacant lot burning off the leaves and rubbish, but she was not on fire. It is believed that the neighbors wanted the firemen, on account of the violation of the ordinance prohibiting the burning of leaves after two o'clock in the afternoon.

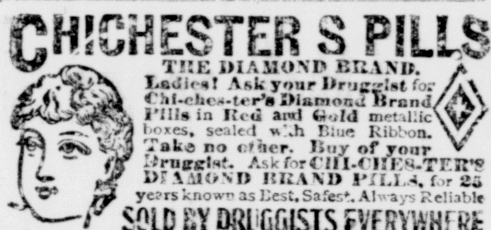

Local officials declare that if people persist in violating the ordinance that arrests will be made.

FORD RUNS 34 MILES ON GALLON GASOLINE

Start Easy in Coldest Weather—
Other Cars Show Proportionate
Saving

A new carburetor which cuts down gasoline consumption of any motor and reduces gasoline bills from one-third to one-half is the proud achievement of the Air-Friction Carburetor Co., 1828 Madison St., Dayton, Ohio. This remarkable invention not only increases the power of motors from 30 to 50 per cent, but enables every one to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather. You can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. All Ford owners can get as high as 34 miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on 30 days' trial to every car owner. As it can be put on or taken off in a few minutes by anyone all readers of this paper who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents, to whom they offer exceptionally large profits. Write them today.

Thousands of Cases of Dyspepsia--

BUT ONLY ONE
PEPSINCO

PEPSINCO is the only indigestion remedy that we know—and we know lots of so called dyspepsia cures—that will almost infallibly relieve an attack of indigestion, food distress or gas. We could almost make claims that would appear impossible, so seldom does this PEPSINCO fail. But why not consider the recommendation of thousands of people who have used PEPSINCO, on the basis of their belief in it. Try it yourself; we are sure that the suggestion will appeal to you—you who suffer with indigestion or stomach faults—try PEPSINCO to-day.

Ask your druggist—he sells and recommends Pepsinco.

OPTIMISM FELT AFTER BOARD OUTLINES FINAL CONCESSIONS

Ben Hooper, Vice-Chairman, Presents Plan For Strike Session To Union Chiefs

SECRET SESSION IS HELD

Railroad Unions Hold Separate Meetings at 1 O'clock to Determine Course

TO MEET JOINTLY AT 3 P. M.

Hooper Reported to Have Promised Labor Heads No Wage Cuts Would be Considered Soon

(By United Press)
Chicago, Ill., Oct. 27.—Government officials today outlined final concessions the United States railroad board would make to the two million railroad workers of the nation in an effort to prevent the October 30 strike.

The proposition was made to the union chiefs by Ben Hooper, vice chairman and public representative of the board in addressing a secret session of the union heads.

Immediately after Hooper presented his program for settlement of the dispute, the union meeting adjourned.

The railroad unions held separate meetings at one o'clock this afternoon to decide on what action to take in regard to Hooper's proposition. They were scheduled to meet jointly two hours later.

A strong sentiment was expressed by many of the union leaders toward acceptance of Hooper's statement as a basis for negotiations and to call off the strike.

This was especially true in the trainmen's ranks. It took Hooper nearly three hours to outline his plan. Following the meeting, Hooper appeared very optimistic.

"The labor board will not consider new petitions for the further wage cuts in the near future," Hooper told the union chiefs, the United Press learned. "If you strike you will be striking solely on the wage cuts of last July, which is only a small percent of the total increases granted during the war."

Even while he spoke department of justice agents carefully watched the proceedings in order to get evidence for court action.

Shortly after Hooper met with the union heads, A. P. Thom, general counsel for the railroad executives went into session with Chairman Barton, of the Railroad Labor Board at the Board's offices.

They were expected to discuss the proposed strike settlement.

While rumors persisted that the

UNION HEADS MAY BE SENT TO JAIL

Face Such a Prospect if They Refuse to Rescind Strike Order. Authorities Indicate

INJUNCTIONS TO BE SOUGHT

Washington, Oct. 27.—Railroad brotherhood chiefs may be jailed if they refuse to rescind their strike call and a tie-up of the mails and interstate commerce results, it was indicated today at the department of justice.

With the "zero" hour for the threatened rail strike approaching, Attorney General Daugherty has decided that if the walkout develops, he has ample authority to obtain court injunctions restraining any interference with the mails or interstate commerce.

Any failure of the union chiefs to obey the injunctions would in all probability be classed as contempt of court and the leaders could be imprisoned, it was stated at the department.

Daugherty has found a precedent for such action was established during the famous "Pullman strike of 1894." The U. S. supreme court then upheld such steps taken by the federal government.

RAILWAY AGENTS TO BE HELD ON THEIR BONDS

Local Railroad Employees Notified of What to Expect if They Strike Oct. 30

MUST NOT DESERT POSITION

Railroad freight and passenger agents in Rushville today had their attention called by the railroads to the fact that if the threatened strike takes place, they will be held strictly to their positions as agents, or forfeit the bond money upon which they hold their position.

In offices in cities the size of Rushville agents are usually the telegraphers also, and the threatened strike calls for the keymen belonging to the union to walk out. The railroad executives desired to have their employees know that such office holders must not desert the position as agent during the strike.

The strike does not include station agents, and in Rushville the C. I. & W. and Pennsylvania maintains a three man shift of agents in the consolidated passenger depot, who also act as train dispatchers and telegraphers. The Big Four has a keyman, but he is said not to be a member of the union, as is the case at the Lake Erie station. The C. I. & W. and Pennsylvania also operate a consolidated freight station but the local office relies on the passenger depot for their wires.

labor chiefs met in an effort to find a way out of the Oct. 30 strike, statements by the labor leaders were pessimistic.

"Things look even worse than last night," L. E. Shepard, head of the conductors union, said. "I do not see how a strike can be avoided."

"It seems that every step possible to obtain justice for the workers has been taken, without success."

Hooper was silent as he went into the meeting. He would not say whether or not he had a definite proposal to make to the union members for ending the strike. He hurried into the hall, accompanied by A. T. Whitney, vice-president of the trainmen's union.

Only three other members of the board knew that Hooper was going to meet with the railroad union chiefs so secret were the arrangements for the meeting.

Hooper has taken the lead in efforts to avert the strike. Practically every step taken has been on his suggestion.

During the night, according to reports, Hooper was in telephone communication with department of justice and other government heads at Washington and it is believed the plan which he presented to the union today was directed from Washington.

When the public hearing broke up last night, Hooper declared he knew of no way by which the strike might be averted.

Today's meeting of union head was held under the eyes of department of justice agents. Half a dozen loitered around the corridors of the Masonic Temple, watching developments.

Freight Embargo Lifted

Houston, Tex. Oct., 27.—The freight embargo in effect on the International and Great Northern since Saturday when about six hundred yard men and switchmen on that road walked out, was partially lifted today by an order from Horace Booth, traffic manager of the road. The embargo was "loosened" to allow acceptance of shipments from those points to Mexico, according to Booth's order. All consignments from one point to another on the company's main line and branches were to be handled.

PENNSY OFFICIALS HERE

President Rea and Others Go Through on 11-Coach Special

High officials of the Pennsylvania railroad passed through Rushville last night, a ten minute stop being made here. The special train was said to contain President Rea and several vice-presidents and other directors of the system. The train consisted of eleven coaches and arrived here shortly before ten o'clock. Crossing watchmen, were held on duty until after the train passed, and in order to show the officials courtesy, extra crossing watchmen were placed at practically every street through the city.

The officials are enroute to the main line roads where an inspection is being made.

PERSHING AND FOCH IN TRANS-ATLANTIC RACE

Liner Paris Carrying Frenchman and George Washington Bearing U. S. Army Man Neck and Neck

AMOUNTS TO NATIONAL RACE

New York, Oct. 27.—Indications today were that the French liner Paris bringing Marshal Foch to America and the shipping board liner George Washington, bringing General Pershing home, were running a "neck and neck" trans-Atlantic race and that they would enter New York harbor almost together.

A wireless from Captain Maunass of the Paris received at the French line offices here, said the steamer would reach quarantine at 2 p. m. tomorrow.

The George Washington, according to latest advices, will reach quarantine about the same time as the Paris.

The George Washington is trying to beat the Paris to port, so Pershing can welcome Foch as he steps ashore. The American Legion has wireless stokers of the George Washington to do their best, to help win. Reports that the Paris has slowed down to let the George Washington win were denied at the French line office today.

DYNAMITE LETS GO ON OFFICER'S DOORSTEP

Clinton, Ind., Oct. 27.—A stick of dynamite exploded on the door step of Deputy Sheriff Roy Wright's home early today wrecking part of the building and breaking windows in nearby homes. No one was hurt.

It is believed moonshiners sought revenge against Wright for activities against them. Wright raided the Runyan still last spring and two men were killed. Later Joe Lowry shot and killed himself after Wright had raided his still.

TO BE INTERNED ON SHIP

Paris, Oct. 27.—Former Emperor Karl and Empress Zita are to be interned aboard a British monitor until their allies reach a final decision as to what their fate shall be.

FRANCES VAUGHT NEW W. R. C. HEAD

Elected District President at Close of Thirty-First Annual Convention Here

1922 SESSION AT LIBERTY

Department Commander Sutton of Fort Wayne and State Head of G. A. R. Among Speakers

The Thirty-first annual convention of the W. R. C. of the fourth district was held in the P. O. S. of A. hall Wednesday with the district president, Mrs. Josie Webb of this city, presiding. One hundred and fifty members of the G. A. R. were present for the meeting.

The following officers were elected during the business session: Mrs. Frances Vaught, Shelbyville, president; Mrs. Mary Little, Connersville, senior vice president; Mrs. Gertrude Krams, Greensburg, chaplain; Mrs. Ida Hegwood, Connersville, treasurer; Mrs. Ella Nye of Liberty, national delegate; alternate, Mrs. Winnie Mitchell, Greensburg; inspector, Melvina Murphy, Rushville.

Liberty invited the convention for the 1922 meeting and the invitation was accepted. Mrs. Sarah Guffin gave a report from the national convention which was very interesting. Mrs. Ida Lee read a poem entitled "The End of a Perfect Day," which was the closing number on the program. One of the best conventions ever held in this district ended to meet in Liberty in 1922.

Mayor R. F. Scudder welcomed the visiting members and comrades to this city. In a cordial manner Mrs. Rose Sutton, of Fort Wayne, the department president of Indiana, responded with a splendid talk on the good of the order.

Mrs. Todd, senior vice president of Newcastle, was present and gave a short talk praising the convention. Department Commander Tyner of Newcastle was in the city yesterday to reorganize the Joel Wolfe Post and gave a talk before the convention yesterday morning. He stated that the W. R. C. was the only auxiliary of the G. A. R. and was glad to know that the Corps had encouraged the post to reorganize. The Rev. D. F. Ryan of Morristown, a past department officer, gave a short talk on the order.

Mrs. Elsie Dreihelbiss, past department president of the Daughters of Veterans of Fort Wayne, was among the out-of-town guests present, and gave an interesting talk on the order of the Daughters and stated that as citizens of the United States we should salute the flag in passing whether in lodge room or on the street. Mrs. Paul Colvin of Battle Creek, Mich., who is a new member of the corps, gave a short talk.

The new commander of the Joel Wolfe Post, W. A. Caldwell of this city was present and asked the cooperation of the corps in his new office.

All nine corps of the district were represented at the convention. The meeting adjourned at noon for lunch which was served in the hall. At

Continued on Page Six

LOCAL POST REORGANIZED

W. A. Caldwell Heads Revived Joel Wolfe Post 81

Joel Wolfe Post 81, Grand Army of the Republic, was re-organized here yesterday afternoon, after the local chapter had been inactive for several months, and under the new regime, W. A. Caldwell was chosen as commander. The work of reviving the local post was in charge of Department Commander Tyner of Newcastle who was here yesterday attending the W. R. C. district meeting. The first meeting of the new post will be held on the first Saturday afternoon of each month following.

The Civil War veterans request that all soldiers, who were not formerly members, to attend the first meeting and become members.

BLANTON REFUSES TO OFFER APOLOGY

Texas Congressman Says He Will Not Buy His Seat by Surrendering His Soul

DID NO WRONG, HE ASSERTS

(By United Press)

Washington, Oct. 27.—Representative Thomas Blanton of Texas has committed a gross and vile crime against the decency of the nation and violated to the utmost the confidence of congress, Representative Mondell, republican floor leader, declared when the house met today to vote on Blanton's expulsion.

Mondell called on the house to "save its honor" by unseating the Texan for having printed in the congressional record an affidavit for a government printing office employee containing foul and loathsome language. "This vile black thing was printed at the government's expense and has been sent out to schools, colleges and homes all over the country," Mondell declared.

Blanton then took the floor to defend himself. "With God as my witness," he cried, "I have intended to do nothing wrong." The words the house objected too were not his words," Blanton declared. "They were inserted as a matter of record in his fight to help two employees in the government printing office."

Declaring that some of the members had come to him with the words that he could save himself by apologizing on the floor, he said, "I will not apologize. Feeling that I have done right I will take my medicine. I will never buy my seat from you by surrendering my soul."

MAIL LOOT \$1,500,000

New York, Oct. 27.—Postmaster General Hays here today took active charge of the investigation into the robbery of a mail truck on lower Broadway. After checking up the list of securities contained in the five pouches stolen by the robbers, Hays declared that it would not amount to more than \$1,500,000.

TAX DUPLICATE FOR 1922 READY

Shows Rush County Will Pay \$1,000,430.73 on Property Valued at \$66,345,095 Next Year

3,106 POLLS IN THE COUNTY

Rushville City's Tax Bill in 1922 Will be \$169,933.33—Comparison Of Tax Rates

Rush county people will pay \$1,000,430.73 in taxes on property valued at \$66,345,095 in 1922, according to the tax duplicate for next year which has just been completed in the county auditor's office.

The valuations this year show a decrease of \$2,610,125, contrasted with 1920 valuations, on which taxes are being paid this year, but there is very little difference between the amount of taxes to be collected this year and in 1922, due to slightly increased rates in about half of the taxing corporations next year.

Rushville city, as is always the rule, leads the other units with taxable property valued at \$7,799,085 and Glenwood is low in the county with taxables valued at \$288,190.

The total number of polls in the county is 3,106, and the county sent also leads all of the other taxing units with 751. Glenwood again is low with 31 poll taxpayers listed.

Rushville city's tax bill next year will be \$169,933.33, and the other units' bills range on down to \$5,099.75, which will be Glenwood's bill in taxes for the year.

Phil Wilk, county auditor, and his deputy, completed the tax duplicate for 1922 earlier than it has been finished in the auditor's office in years. All of the rates are based on actual valuations fixed this year.

A comparison of rates for 1922 and this year shows the following:

Taxing Unit	1921	1922
Carthage	\$2.01	\$1.70
Ripley Twp	1.55	1.43
Posey	1.42	1.44
Walker	1.66	1.59
Orange	1.37	1.69
Anderson	1.55	1.85
Rushville	1.13	1.25
Jackson	1.81	1.13
Center	1.24	1.17
Washington	1.15	1.20
Glenwood	1.67	1.74
Union	1.38	1.32
Noble	1.43	1.30
Richland	1.24	1.36
Rushville City	2.095	2.15

G. A. R. WILL BACK A LYCEUM COURSE HERE

Will Consist of Five Musical and Dramatic Numbers, First of Which Comes Nov. 3

FOR BENEFIT OF VETERANS

A winter lyceum course consisting of musical and dramatic numbers, the first of which will take place at the Graham Annex auditorium Thursday evening, November 3 will be given under the auspices of the Joel Wolfe post of the G. A. R., it was announced today.

The season tickets are selling for \$2 each and the single admissions will be 50 cents, and the net proceeds over and above the cost of the course will go to the post. Tickets are on sale at Oren's drug store.

The course will consist of five numbers, the first of which will be an entertainment by the Chicago Concert Players, a musical organization. Other numbers billed for the winter are as follows:

December 14, Kenilworth glee club; February 4, a male quartet; March 6, a trio of musicians, and April 12, an orchestra composed of six girls.

TAX COLLECTIONS HIGHER

Tax collections were higher Wednesday than any day this week, amounting to \$18,619.55 and equaling last Saturday's collections. This brings the total collected on the fall installment to \$192,946.29, leaving a little less than \$300,000 to be paid.

Valuations and Taxes to Be Collected in Rush County in 1922

TAXING UNIT	Valuation	Rate	Polis	Rate	First Ins.	Second Ins.	Total Yr.
Carthage Corporation	\$1,320,255	\$1.70	138	\$2.75	\$11,412.60	\$11,411.22	\$22,823.82
Ripley Township	4,297,315	1.43	136	2.50	32,829.59	28,962.01	61,791.60

New York Stocks

New York, Oct. 27.—Prices held fairly well in the first hour on the New York stock exchange. Pools in some stocks ran their favorites up to new highs but the general disposition was to wait some definite news from the wage conference. A pool in Houston Oil ran that stock up to 80 1/2 which represents an advance of 100 percent over the year's low. Asphalt was heavy, however, and profit taking was apparent in other oils.

Kelly Springfield was soft and sold off nearly a point from the opening at 42 1/2 to 41 1/2. Good buying of Kelly Springfield has been going on for several weeks past.

The opening prices for the stock exchange today included:

U. S. Steel 78 1/2, off 1/2; U. S. Rubber 49 1/2, up 1/2; Atlantic Gulf 30 1/2, off 1/2; Baldwin 89, off 1/2; Retail Stores 52 1/2, up 1/2; American telephone 108, off 1/2; Southern Pacific 76 1/2, unchanged; American Sugar 52 1/2, unchanged; Tobacco Products 63 1/2, up 1/2; Eadicott Johnson 69 1/2, up 1/2; Studebaker 73 1/2, off 1/2; Asphalt 58 1/2, up 1/2; Mexican Petroleum 105 1/2, unchanged; Northern Pacific 71 1/2, off 1/2; Sinclair 23, up 1/2; Central Leather 28 1/2, up 1/2; Texas Company 41, unchanged; Houston Oil 77 1/2, off 1/2; Kelly Springfield 42 1/2, up 1/2.

The stock market was somewhat heavy at the opening as result of the developments at the railroad wage conference. The opening losses, however, were usually confined to a half point or less in active issues. Mexican Petroleum opened at 105 1/2 unchanged and then sold off to 104 1/2. Baldwin made an early low below 98. Steel common lost 1/2 at 78 1/2 and independent steels showed about an average loss of about 1/2 point.

Northern Pacific was off 1/2 at 71 1/2 and Southern Pacific was unchanged at 76 1/2.

dinner last Wednesday in honor of her sister, Mrs. Lizzie Cline, Mrs. Texas Johnson and Mrs. Claude Cauburn of Rushville.

About fifty of the friends and neighbor charivariated Mr. and Mrs. Chester Mauzy last Wednesday night

Continued on Page Eight

The Biggest Earner on the Farm

"Everybody who knows anything about dairying understands that if a man will take a herd of cows and attend to them, taking care of the pigs and calves, nothing can down him. It is the only sure plan on the farm because it has so many pulls from different angles. He has the skim milk for calves and pigs, and his farm keeps getting better year by year."—An Iowa Farmer.

Cream Separator Primrose

There never was a better time to prove the truth of what this man writes than now. With the price of corn low, the way to get the most money out of it is to feed it, separate the milk and sell the cream. You can bring pigs to market weight quicker with skim milk and corn than in any way, and raise more pigs to the acre. But to get the greatest value out of skim milk, it must be fed sweet and with the animal heat still in it. The only way you can have the milk in this condition and save all the butter fat is to use a cream separator.

A Primrose Cream Separator will save all the butter fat in the finest condition. It is easy to turn, easy to wash, easy to keep in perfect running order. It oils itself from a supply in the gear case, and only an occasional replenishing of the oil is necessary. The big chore of washing out the dirty oil is done away with by the oil drain tube, which drains out the dirty oil when new oil is added.

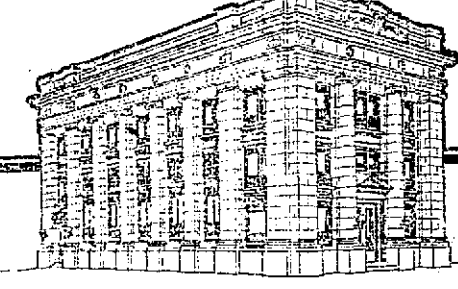

Come in and let us show you these and many other unusually good things about the Primrose.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes
—Most Women Can Have

Says Dr. Edwards, a Well-Known
Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, hollow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

PERSONAL POINTS

—Miss Mary Bates went to Cleveland, Ohio Wednesday afternoon to attend the funeral of an aunt.

—Birney D. Spradling has returned to Indianapolis, after transacting business in this city.

—Walter Rhineheimer has returned to his home in Indianapolis after a business trip to this city.

—Thomas McWhiney returned this morning to his home in Indianapolis after a visit in this city among friends.

—Mrs. Eva Lakin returned this morning to her home in Indianapolis.

Gas, Indigestion, Stomach Misery —“Diapepsin”

“Diapepsin” has proven itself the surest relief for Indigestion, Gas, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large cases cost only few cents at drug store. Millions helped annually.

RECESS IS TAKEN TODAY

Grand Jury Adjourns to Reconvene
Again Next Wednesday.

The grand jury which was in session all day yesterday, recessed again this afternoon at two o'clock, and will reconvene next Wednesday to resume their investigations and at that time will probably make a report of their findings. Several matters have come up before them, it is understood, and several witnesses were before them this morning.

Business is at a standstill this week in the circuit court on account of the absence of Judge Sparks who is trying a case in the Union circuit court, acting as special judge. On this account, the grand jury could not make a report this afternoon.

PRE-CONVENTION SESSION

Legion Commission Meets in Advance
of National Gathering

Kansas City, Oct. 27.—More drastic legislation governing the transmission of anarchistic and radical literature through the mails was recommended by the National Americanism commission of the American Legion which opened its pre-convention session at the Baltimore hotel here today.

The commission heard the annual report of Director Alvin M. Owsley of Texas and began the formulation of a series of recommendations affecting citizenship which will be submitted to the national legion convention next week. Sessions will be concluded on Saturday.

HARDING AT CAMP BENNING

Camp Benning, Georgia, Oct. 27.—President Harding came here today to see the great army infantry school in action. It was expected that a review and maneuvers and perhaps a sham battle would be staged for the presidential party which includes Secretary of War Weeks.

HEALING CREAM QUICKEST RELIEF FOR HEAD COLDS

Colds and catarrh yield like magic to soothing, healing, antiseptic cream that penetrates through every air passage and relieves swollen, inflamed membranes of nose and throat. Your clogged nostrils open right up and you can breathe freely. Hawking and snuffling stop. Don't stay stuffed up and miserable.

Get a small bottle of Ely's Cream Balm from your druggist. Apply a little in the nostrils and get instant relief. Millions endorse this remedy known for more than fifty years.

LOCAL PHYSICIANS ATTEND

Semi-Annual Meeting of Union District Medical Association at Oxford

Several Rush county physicians attended the 108th semi-annual meeting of the Union District Medical Association, held at Oxford, O., today and the program included many important discussions and lectures by prominent members of the society. The meeting was held here this time last year.

Dr. C. J. Broeman of Cincinnati was scheduled this morning to deliver an address on Radium and this afternoon Dr. Morris, a heart specialist of Cincinnati, lead a discussion on the disturbances of the heart beat. The organization has members in Fayette, Franklin, Henry, Union, Wayne and Rush county, and Indianapolis, as well as Butler county and Preble county, Dayton and Cincinnati, Ohio.

TO PROVE HARTMAN GUILTY

Indianapolis, Ind., Oct. 27.—Republican leaders in Indianapolis were preparing today to prove Herbert Hartman, indicted candidate for city

judge, guilty under a federal and county indictment charging him with violation of the liquor laws and of stealing automobiles. Judge Moll in a ruling held that if the party chiefs can prove Hartman guilty of the charges then they will have been justified in removing his name from the city ticket and naming Delbert Wilmeth as the candidate.

MOTHER! OPEN CHILD'S BOWELS WITH CALIFORNIA FIG SYRUP

Your little one will love the "fruity" taste of "California Fig Syrup" even if constipated, bilious, irritable, feverish, or full of cold. A teaspoonful never fails to cleanse the liver and bowels. In a few hours you can see for yourself how thoroughly it works all the sour bile, and undigested food out of the bowels and you have a well, playful child again. Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

Figures Tell The Story

Statistics compiled by the interstate commerce commission show that during the first eight months of the year 1921, the railroads made, for their owners, income at the rate of only 2.6 percent per year on the property value as fixed by the Commission. This was not enough even to pay the interest on bonds held by the public, leaving nothing from earnings to pay dividend on stock. Taken on the average there being same exceptions to the general rule, dividends have been paid out of accumulated surplus and net earnings have been obtained only by serious cutting of maintenance of way and maintenance of equipment expenses. It must be clearly manifest to every business man, be he manufacturer, merchandiser, farmer, lumberman or miner, that the transportation system upon which all other industry depends can not be indefinitely continued upon any such basis of earnings as that.

Yet, in the face of these facts, the five big brotherhoods and the switchman's union propose to strike Sunday because of a reduction in wages ordered July 1 by the United States railway labor board.

The payroll is and always has been the railroad's biggest item of expense and it was wages which showed the largest increase during the war. Payroll expense alone, which totaled \$1,739,482,142 in 1917 mounted to \$3,608,216,351 in 1920.

It is patent then that no relief from high rates may be expected until this big item of expenses is lowered. Acting with this idea in view and a desire to bring about more prosperous conditions, the railroad labor board ordered a reduction of twelve percent in the wages of railroad men.

There is no prospect of lower rates until wages are brought down, due to the fact that no other item of expense in connection with the operation of a railroad can come down.

The public paid for its railroad transportation, \$2,157,350,553 more in 1920 than in 1917. Of this increased payment by the public, the payroll of the railroads took \$1,958,734,209 and the cost of fuel, largely made up of wages, \$178,962,426. There was left in 1917 for making additions to the property and paying interest and dividends, \$934,068,770; and in 1920, \$61,928,026. The owners of the securities, who have created this great instrument of commerce, had their share of the payment made by the public reduced \$872,140,144, while the men on the railroad who maintained and operated it, had their return increased \$1,958,734,209.

Obviously, a relation like this can not continue permanently and every effort is being made by the managers to obtain a more equitable relation between income and outgo. The results, however, are very unsatisfactory.

factory, although they are better than a year ago.

There is, of course no reason why labor should not organize as do other classes of our citizens, but labor organizations must subject themselves as do other organizations of our citizens, to the inexorable laws of trade and to a reasonable supervision and regulation in the interest of the entire public.

A memorial tablet has been erected for the mules that perished in the war. This will be appreciated by the overseas vets who are without the price of a meal.

The fellow who made jazz popular is becoming one of the most unpopular of men.

American women are great advocates of home rule—and most of them do.

Wisdom is an asset which the fool never cares to possess.

AMUSEMENTS

Serial at The Mystic

From surprise to stripes is the striking change of garb made by Al J. Smith, now supporting Eileen Sedgwick in her latest Universal serial, "Terror Trail", now being shown at the Mystic Theatre every Thursday.

At the tender age of nine years, little Al was singing in a boy's choir in an eastern city. Now he is enacting the villain's part in a Universal serial, and for certain he is wearing the conventional costume that the government has designed for gentlemen who are not at liberty. When Al's voice started to swing from high soprano to a rather deep bass, with no degree of certainty, he left the choir to take up stage work. He enjoyed the usual experiences which befall a young man seeking fame on the stage, the most usual one being the long walk home at the end of each season's engagement. At that time Smith says there were about thirty seasons to the year.

A stock company brought him West eight years ago, and since that time he has been in screen work. He was Zimba in Eileen Sedgwick's serial, "The Diamond Queen," and is playing the "heavy" in the current production.

Personally, Smith is anything but a villain off the screen, and is one of the most popular players at Universal City. His dramatic ability is noted by the excellent characterizations which he has given to the silver sheet.

Expensive Interior Scene

Securing \$30,000 worth of furniture for a single interior setting and then smashing the outfit before the camera produces photoplay realism, but at a well-nigh prohibitive cost. Yet that is what Cecil B. DeMille did in his Paramount production "The Affairs of Anatol," which will be shown at the Princess theatre again today and Friday.

The setting in question serves as a background for a part of the story portrayed by Wallace Reid, Gloria Swanson, Elliot Dexter, Bebe Daniels, Wanda Hawley, Theodore Roberts and other all-star players. It is an ultra-luxurious apartment and Howard Higgin, production manager for Cecil B. DeMille production was instructed to spare no expense.

The result was an attractive suite designed by Paul Iribe—furnished with approximately \$30,000 worth of furniture. This included a valuable set of Louis XVI chairs, a magnificent carved photograph case of unique design, a grand piano, lamps, mirrors, tables, a desk, lounge, pictures and bric-a-brac.

At the climax of this episode, Wallace Reid was instructed to run amuck, smashing everything breakable in the set. The orders were comprehensive and Reid obeyed them to the letter. Not one stick of furniture remained in its original shape when the vandalism was complete! Using the small pieces of furniture as bludgeons, Reid shattered in sight while the camera clicked just out of range of his blows. Mirrors, lamps, chairs, phonograph and piano were demolished one by one. As a conclusion to the scene, the husky star seized the huge overstuffed divan and hurled it bodily through the French doors at one end of the set.

Gunn Haydon

them to the letter. Not one stick of furniture remained in its original shape when the vandalism was complete! Using the small pieces of furniture as bludgeons, Reid shattered in sight while the camera clicked just out of range of his blows. Mirrors, lamps, chairs, phonograph and piano were demolished one by one. As a conclusion to the scene, the husky star seized the huge overstuffed divan and hurled it bodily through the French doors at one end of the set.

The Olympic with a registry of 46,439 tons, is the largest of British-built ships, which means that she is larger than any American-built vessel.

STOP! HEED THE DANGER SIGNAL

When your engine gets cranky it is time for you to be just the opposite. Good judgment then and there, will prevent possible accidents and prolong the life of your car.

If you don't know what is the matter, and how to correct it, the only sane course is to hunt the man who does.

Kidney and Bladder Troubles HAVE TO GO

Clogged up Kidney Deposits are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Told to Guarantee it in Every Instance

"Your very life", says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them".

Dr. Carey's famous prescription No. 777 known as Marshbrook is not recommended for everything but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating, irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetes or Gravel; for kidney disease in its worst form may be stealing upon you.

Don't wait until tomorrow to begin the use of this wonderful prescription if you have any of the above symptoms. Kidney and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfailing certainty.

Never mind the failures of the past if you even suspect that you are subject to Kidney Disease, don't lose a single day for every good druggist has been authorized to return the purchase money on the first two bottles to all who state they have received no benefit.

VALLEY MILLS TO PLAY HERE FRIDAY

Rushville High School Out For Revenge Against Team Which Won Last Year

Valley Mills will come here Friday night to battle with the Rushville high school basketball team, and the locals are planning on revenge for the defeat that this team handed them early in the season last year. Valley Mills, which is located in Marion county, ranked high last year in the sectional tourney, and won out over Rushville by a few points about this time last season.

Coach Sutton has been putting the team through some hard licks this week, and it is believed that he has a strong bunch of players that will be able to hold the visitors. Pugh, Sparks and Casady will be out for forward positions, while other players who will have a chance will be Walker, Prazee, Cartmel and Headlee.

The Glenwood team will come here for the curtain raiser with the local second string. Glenwood has a good team, and will put up a hard fight. The curtain raiser will start at 7:15, and the other game at 8:15.

NEW PUGILISTIC FIND

New York, Oct. 27—New York was saying many nice things today about a new pugilistic find—Phil O'Dowd, Columbus. The Ohio bantam clearly outpointed Joe Lynch, former champion in a 12 round bout last night and won a popular decision.

GETS REFEREE'S VERDICT

St. Louis Oct 27—Alexander Trantiras, Portland, got the referee's verdict over Johnny Tillman, St. Paul, after a 12 round bout here last night. Harry Bramer, Kansas City, rocked Mike Dundee New York, to sleep in the first round of a scheduled ten round bout.

APPEARS TO BE INDIANA'S WEEK

Many Important Contests Are Scheduled on the Football Fields Of the State

WABASH VS BUTLER FRIDAY

Purdue Meets Iowa at Lafayette on Saturday and Indiana Tackles Notre Dames

By HEZE CLARK
(Written for United Press)

Indianapolis, Ind., Oct. 27.—This is football week in Indiana. It appears as though most of the important games were scheduled for this week.

Indianapolis gets more than its share for two of the best games of the season are scheduled for this week in Indianapolis. Butler meets Wabash Friday, Oct. 28 at Irwin Field and Indiana Plays Notre Dame at Washington Park, Saturday, Oct. 29.

When Pat Page's Butler team clashes with Coach Vaughn's aggregation there will be a real battle. Wabash has a slight weight advantage in the back field but the average weight of the line on the two teams is equal. Wabash has a powerful defensive combination which has been tested against such teams as Purdue and the U. S. Military Academy. The only real test of defense that Page's team received was in the opening game against the heavy Dennison team in Ohio. Dennison failed to halt the shifty Butler backs. Butler is "pointed" to the Wabash game. Wabash knows it has a big problem and had an open date last week.

The big question that every Indiana University man is asking is: "Can Indiana halt Notre Dame?" Coach Rockne's team met a surprise

GREATEST CAST EVER ASSEMBLED

In Settings of Remarkable Realism and Magnificence

"You would not expect to get a Rolls Royce for the price of a Ford or a mansion for the price of a cottage. 'Kismet' cost half a million dollars to produce, ten times as much as the average fairly good picture. We are not going to charge you ten times our regular admission, but we are compelled, owing to the cost of this extraordinary engagement, to tilt our prices slightly and for the engagement of 'Kismet' our admission price will be afternoon 15c and 25c, night 25c. See the picture. If you do not think we are justified in raising prices, apply at the box office and get your money back."

last year and it was only in the final quarter that they defeated Indiana. Notre Dame has had a hard schedule. The first defeat that team has suffered in three years was at the hands of Iowa. The Notre Dame-Indiana affair is always regarded as the football classic of the year in the Hoosier state.

Purdue meets Iowa at Lafayette Saturday. It is the "home coming" day for the boiler-makers, and the Purdue Alumni will gather to see their team play what is probably the strongest football eleven in the Big Ten conference.

Franklin is scheduled to play the Kalamazoo college team at Franklin Friday. The game is sure to be close and hard fought.

Earlham plays Coach Spaulding's Kalamazoo Normal eleven at Kalamazoo Saturday. Rose Poly meets Hanover at Terre Haute. The Engineers have been showing improvement and they defeated Franklin in a game two weeks ago.

PURDUE CRIPPLED FOR IOWA CONTEST

Coach Dietz Says His Team is in Worse Shape Than It Has Been Any Time This Season

TEAM'S MORALE IMPROVES

Lafayette, Ind., Oct. 27—The Purdue University Gridiron squad, on the eve of the battle with Iowa, one of the strongest contenders for conference honors, is in bad shape as the result of accidents suffered by several of the best men in scrimmages.

Coach Dietz, football mentor of Purdue, is very gloomy about his team's chances to defeat the strong Iowa aggregation, which has not suffered any injuries thus far.

Birk, the star tackle, will probably not be able to get into the game against Iowa Saturday as the result

of an injured shoulder suffered in practice. Eversman and Murphy will not be able to play Saturday as their injuries are of a nature that do not heal rapidly.

Coach Dietz stated that his team was in the worse shape physically than it had been this season. He has been drilling his men hard the last two weeks and they are showing a great deal of improvement in regard to fumbling and charging, which has shown up in every game.

The morale of the team is visibly improved and when they trot out on the field Saturday for their go against Iowa it will be with a determination to upset the dope back-et.

Scrimmages will be light the remainder of the time before the game

so as to keep his men from going stale.

EPSOM SALTS

LIKE LEMONADE

A few cents buys a handy package of "Epsomade Salts" which looks and acts exactly like epsom salts because it is real epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade.

A tablespoonful in a glass of cold water whenever you feel bilious, head-achy or constipated, will give you a splendid epsom salts physic without the awful taste and nausea. "Epsomade Salts" is the much talked of discovery of the American Epsom Association.

SOCIETY

Edited By Miss Edna Krammes
Phone 1111

The Delphian Society will meet in the assembly room of the court house tomorrow afternoon. All members of the newly organized society are urged to be present.

The ladies of the First Presbyterian church will give an oyster supper in the basement of the church Friday evening, October 28, at seven o'clock to the men of the congregation. The Bible class announced to meet at the home of Mrs. Ruby Petry Friday night will meet in the church parlors following the supper.

The American Literary club met Wednesday afternoon with Mrs. C. A. Dugal at her home in North Morgan street. An unusually interesting program was given consisting

of a paper by Mrs. Harry Armstrong on "The Origin of Halloween" and an original story by Mrs. Fred Oldham and two readings from Riley by Mrs. Dugal. Following the business meeting a social hour was enjoyed, during which the hostess, assisted by Mrs. Scott, served delicious refreshments.

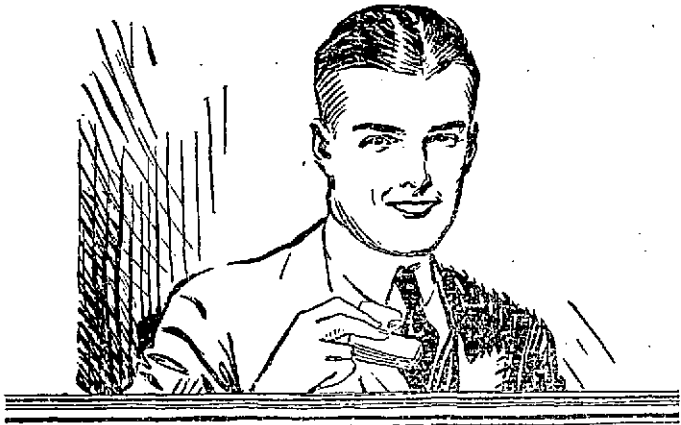

The Bank of Workers of the First Presbyterian church met yesterday afternoon for their regular meeting in the church parlors with Mrs. John G. Beale, Mrs. Richard Beale, Mrs. W. W. Weakley and Mrs. Will Trempohl as hostesses. Following the regular business hour a ghostly figure muttering a weird summons led the way to the basement where other strange figures

showed the ladies to the dining room which was found to be elaborately decorated in the season's tokens, jack-o-lanterns, candles, autumn leaves and witehes. Dainty refreshments synonymous of the season were served and due credit was accorded the hostesses.

A wedding of interest to many friends here was solemnized yesterday evening at five o'clock at the home of Mr. and Mrs. Ed Billings in East Eighth street when Miss Caroline Billings of this city and Henry Steigelmeyer were united in marriage by the Rev. L. E. Brown, pastor of the Main Street Christian church. The ceremony was quietly performed in the presence of only the immediate family and friends. A delicious three course wedding dinner was served following the wedding.

Mr. and Mrs. Steigelmeyer left for a short wedding trip after, which they will be at home to their friends at 244 West Taylor street. Shelbyville. Mrs. Steigelmeyer is well known here and having been a resident of this city practically all of her life. The bridegroom is widely known and is a prominent citizen of Shelbyville.

The Ladies Aid society of the M. E. church of New Salem was delightfully entertained last Thursday afternoon at the home of Mrs. Ben Stephens northeast of New Salem. Mrs. Shouse and Mrs. Jacob Wilson were the assisting hostesses. The rooms were artistically decorated with fall flowers and autumn leaves. The meeting was called to order promptly at two o'clock by the president, Mrs. Ben Stephens. After the business session, Mrs. Jacob Wilson took charge of the program. Mrs. Ryan, Mrs. Shankle and Mrs. Maud Sifton gave interesting readings. A duet was rendered by Miss Marion and Miss Myrtle Sefton and a solo by Mrs. Bert Beaver was enjoyed. A short discussion on the Life of Christ which was given by each member, was the most interesting feature of the program. The address given by the new pastor, the Rev. Mr. McWilliam, was very inspiring and appreciated. Following the program the paupers lunch was served to the fifty-four members and visitors present. Refreshments of ice cream, cake and coffee were served by the hostess.

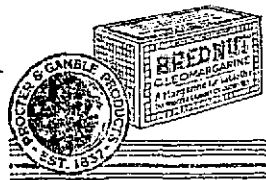

For the Critical Taste

If your taste for butter is critical, try Brednut. You will find it surprisingly fine, and perfectly uniform. Cold does not make it brittle. Heat does not make it run. It always has the taste, texture, and splendid richness of the best creamery butter.

Brednut is churned daily in a white tiled, sanitary factory, and delivered direct to your grocer. It is fresh, and stays fresh. Try a pound.

A new shipment has just arrived of beautiful all wool primella striped skirts, neatly pleated, and with these we will group many of our regular stock, up to \$16.50 values.

\$9.95

THE MAUZY COMPANY

Mrs. Ed Chambers was hostess for the Sunshine Embroidery Club of Raleigh yesterday afternoon at her home in East Seventh street. Besides the members two guests were present, Mrs. Gunn Haydon and Mrs. Bert Davidson. Dainty refreshments were served by the hostess at the close of the social afternoon.

The members of the pitch-in club which met at the home of Miss Edith Brown in North Main street last evening, were given a delightful surprise last evening, when Miss Elizabeth Gronier and Thomas J. Bradley, both members of the club, were united in marriage in their presence.

Miss Brown was hostess for the club last evening and those present were John H. Power, W. P. Jay, Miss Viola Jay, Miss Florene Gronier, Miss Elizabeth Gronier, Thomas J. Bradley, Mr. and Mrs. Harry McMannus, and children, Mr. and Mrs. Verl Behout and son, Mr. and Mrs. Walter Ray and daughter Mary, Oscar Newhouse, and Mrs. Charles Ray of Connersville.

At 8.30 o'clock the wedding guests composed of Mr. and Mrs. Ed Chambers, Mr. and Mrs. B. F. Miller, Newton Bradley, father of the bridegroom of Hope, Ind., Miss

Ruby Howell of Kener, Ind., and Mr. and Mrs. Elmer Darnell entered the parsonage and Mrs. Ed Chambers went directly to the piano and began the wedding march. To the consternation and surprise of the pitch-in party, Thomas J. Bradley and Miss Elizabeth Gronier stepped before the Rev. L. E. Brown and were united in the bonds of wedlock. After congratulations B. F. Miller in behalf of John H. Power presented the bride and bridegroom with a warranty deed for their new home in West Ninth street.

The bride is a popular young lady of this city, having made her home here for several years with Mr. Powers. The bridegroom is also a prominent citizen of this city.

Miss Christina Stiers and Mrs. Wilbur Stiers were hostesses for a prettily appointed one o'clock luncheon yesterday when they entertained a number of guests at the home of the former, corner of Perkins and Seventh streets, honoring Mrs. John Souders of Greenfield and Mrs. J. M. Fitch of Muncie. The luncheon tables were prettily decorated in yellow chrysanthemums and a delicious three course dinner was served to about forty guests. Among the out-of-town guests were Mrs. Noble Wills and Mrs. Thompson of Connersville.

Mrs. Martha Nading of Connersville and William N. Bradley, a farmer of Hope, were married at noon today by the Rev. C. S. Black at St. Paul's M. E. parsonage. They will reside in Connersville.

The employees of the Mauzy company enjoyed a pitch-in supper on the second floor of the Mauzy building Wednesday evening.

Mrs. George Murphy entertained Tuesday night, Mrs. Carrie George, president of the W. R. C. chapter at Columbus, Ind., and she remained as Mrs. Murphy's guest during the district meeting in this city.

SPORTS WRITER DIES

New York, Oct. 27—Funeral services for William B. Bat Masterson, veteran sports writer and well known former plainsman, are to be held this afternoon. Honorary pallbearers selected were Tex Rickard, Tom O'Rourke, Willie Lewis, Wm Muldon, Val O'Farrell, Frank Price, Damon Runyon, Bert Igoe and James P. Sinnott.

FRANCES VAUGHT NEW W. R. C. HEAD

Continued from Page One
two o'clock the convention reconvened, with Mrs. Josie Webb, president, presiding. The local corps exemplified the ritualistic work with Mrs. Winnie Mitchell of Greensburg, inspector. She gave a few criticisms but stated that she was proud of the work the corps had done this year.

A memorial service was held for comrades and members who expired during the past year, the service being in charge of the past department president, Eliza Crisler of Greensburg. A solo was rendered by Mrs. Driewert of Greensburg entitled "Oh Tell Me of a Home." Also a prayer was offered.

MUST VACATE BY NOV. 1

Philadelphia, Oct. 27—Unless Mrs. Emma C. Bergdoll, mother of the famous slacker brothers, vacates "Bergdoll castle" on or before November 1 steps will be taken by the government to obtain immediate possession of the imposing mansion, it was learned today. Bergdoll castle was ordered seized with the rest of Bergdoll's property under the trading with the enemy act. Notice has been served on Mrs. Bergdoll that she must vacate.

RHEUMATIC TWINGE MADE YOU WINCE!

USE Sloan's freely for rheumatic aches, sciatica, lumbago, overworked muscles, neuralgia, backaches, stiff joints and for sprains and strains. It penetrates without rubbing. The very first time you use Sloan's Liniment you will wonder why you never used it before. The comforting warmth and quick relief from pain will delightfully surprise you. Keep Sloan's handy and at the first sign of an ache or pain, use it. At all druggists—35c, 70c, \$1.40.

Sloan's Liniment

Disfiguring facial eruptions are quickly healed by Dr. Hobson's Eczema Ointment. Good for pimply faces, eczema, acne, itching skin, and all other skin troubles. One of Dr. Hobson's Family Remedies. Any druggist.

Dr. Hobson's Eczema Ointment

"A SHINE IN EVERY DROP"
Black Silk Stove Polish is different. It does not dry out; can be used to the last drop; liquid and paste one quality; absolutely no waste; no dust or dirt. You get your money's worth.

Black Silk Stove Polish
is not only most economical, but it gives a brilliant, silky lustre that cannot be obtained with any other polish. Black Silk Stove Polish does not rub off—it lasts four times as long as ordinary polish—so it saves you time, work and money.

Don't forget—when you want stove polish, be sure to ask for Black Silk. If it isn't the best stove polish you ever used—your dealer will refund your money.

Black Silk Stove Polish
Works, Sterling, Illinois.
Use Black Silk Air Drying Iron Scales on grates, registers, stove-pipes, and automobile tire rims. Prevents rusting. Try it.

Use Black Silk Metal Polish for silverware, nickel, tinware or brass. It works quickly, easily and leaves a brilliant surface. It has no equal for use on automobiles.

BIG DOLL FREE

Can You Solve the Dolly Puzzle?

In the picture of Dolly on the left is a number of hidden faces. See how many you can find. Some are looking at you—some show sides of faces—you'll find them upside down. In the folds of Dolly's dress, and every way. Mark each face you find with an X. If you find 8 hidden faces you have solved the Dolly Puzzle.

I Have a Big Doll Like This for You

This is not a cloth doll to stuff, but a regular baby doll. She stands nearly half a yard high and is all dressed up in a dear little "go-to-school" dress. You'll be the proudest girl in the neighborhood with a nice sleeping dolly like this. The big blue eyes which open and shut, the peaches and cream complexion and the little rosy mouth make this the handsomest and sweetest doll you could possibly imagine. You'll just love her to death, she is so cute and pretty.

Every Little Girl Can Have One of These Big Sleeping Dolls for Her Very Own.

Mark all the faces you can find. Don't give up too easily, if at first you find it a little hard to solve the puzzle. When you have found 8 faces, write your name and address on the coupon, clip out Dolly's picture and mail without delay with the Puzzle Coupon below for my Big Free Doll Offer.

SPORTSMEN OF STATE MEETING

Tenth Annual Convention of Indiana Fish, Game and Forest League Opens Today

CALL TO ORDER AT 10 A. M.

124 Clubs and Protective Organizations in State to Assist in Game Law Enforcement

Indianapolis, Ind., Oct. 27.—The tenth annual convention of the Indiana Fish Game and Forest League in session today at the Claypool hotel drew together the largest and most representative body of sportsmen interested in wild and aquatic life conservation of any held in years, according to officials.

The convention was called to order at 10 o'clock by Walter Shirts of Noblesville, league president with delegates and alternates representing many fish, game and bird protective associations and clubs from all parts of the state present.

According to George N. Mannfeld, superintendent of the fish and game division of the state conservation department, there are now 124 clubs and protective associations in Indiana whose work is to perpetuate and propagate this resource, assist in enforcement of the fish and game laws, and to interest the people in the importance of this phase of conservation. In the opinion of Mr. Mannfeld most clubs not affiliated with the state league will join during this convention.

Under the law which created the state conservation department power and authority were given it, and it was made its duty to encourage and assist in the organization of fish and game protective associations in the several counties of the state to the end that the work of the fish and game division, and the laws relating to propagation and conservation of fish and small wild game, may be made more effective. This work has been carried out and his division recognizes the Indiana Fish, Game and Forest League as the representative state organization. Mr. Mannfeld says.

Speaker included officers of the league, Richard Lieber, director of conservation in Indiana, and Mr. Mannfeld. The latter presented statistics on his division as regards number of licenses sold, arrests by state wardens in the past fiscal year, etc. Mr. Lieber talked generally concerning conservation of all natural resources as our basis wealth. Discussions on various phases of fish and game conservation were held.

Members of the Marion County Fish & Game Association, the pioneer and the largest of the state sportsmen's organizations, banqueted the visiting delegates. At the evening session motion pictures made for the conservation department showing black bass propagation were shown.

HALLOWE'EN SOCIAL

A Halloween social will be given by the kiddies of the St. Mary's Catholic church Monday evening in the St. Mary's hall. Delicious doughnuts and pumpkin pies will be served.

FIRE DEPARTMENT CALLED

Woman is Found Burning Leaves After Two O'clock in Afternoon

The fire department received a telephone call yesterday afternoon about five o'clock, stating that a woman was on fire in the vicinity of Ninth and Sexton streets, and the chemical truck responded to the call. The firemen stated that Mrs. Mary Nestle of that vicinity was in the midst of a large vacant lot burning off the leaves and rubbish, but she was not on fire. It is believed that the neighbors wanted the firemen, on account of the violation of the ordinance prohibiting the burning of leaves after two o'clock in the afternoon.

Local officials declare that if people persist in violating the ordinance that arrests will be made.

FORD RUNS 34 MILES ON GALLON GASOLINE

Start Easy in Coldest Weather—Other Cars Show Proportionate Saving

A new carburetor which cuts down gasoline consumption of any motor and reduces gasoline bills from one-third to one-half is the proud achievement of the Air-Friction Carburetor Co., 1828 Madison St., Dayton, Ohio. This remarkable invention not only increases the power of motors from 30 to 50 per cent, but enables every one to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather. You can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. All Ford owners can get as high as 34 miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on 30 days' trial to every car owner. As it can be put on or taken off in a few minutes by anyone all readers of this paper who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents, to whom they offer exceptionally large profits. Write them today.

CHICHESTER'S PILLS

THE DIAMOND BRAND. Sold by Druggists Everywhere. Chichester's Diamond Brand Pills in Red and Gold Seal. Each box contains 12 pills. Sold by Druggists Everywhere. Sold by Druggists Everywhere.

Thousands of Cases of Dyspepsia--

BUT ONLY ONE

PEPSINCO

PEPSINCO is the only indigestion remedy that we know—and we know lots of so called dyspepsia cures—that will almost infallibly relieve an attack of indigestion, food distress or gas. We could almost make claims that would appear impossible, so seldom does this PEP-SINCO fail. But why not consider the recommendation of thousands of people who have used PEP-SINCO, on the basis of their belief in it. Try it yourself; we are sure that the suggestion will appeal to you—you who suffer with indigestion or stomach faults—try PEP-SINCO to-day.

Ask your druggist—he sells and recommends Pepsinco.
